Dear Family and Friends,

I will give thanks to you, LORD, with all my heart; I will tell of all your wonderful deeds. (*Psalms 9:1*)

In the blink of an eye, we have come to the middle of the year. We cannot look back and fail to thank all our supporters for your love and provision.

Since January 2023, we were blessed with visiting volunteers:

- In March, physical therapy professor Nia Mensah brought a team of 12 from New York comprising medical, occupational therapy, and physical therapy students who gave our students medical screenings, therapy, and helped repair some wheelchairs. The team also helped us to assess new kids, so we were able to admit 9 new students into the school, bringing our total enrollment to 79.
- Pastor Bill Hegedus also brought a team of three before Easter and hosted a 5-day vacation Bible school for our students. They also sponsored youth empowerment services for the children in Ankamu and Apam. All the youth who attended were blessed with a Bible, a study book, and a t-shirt. The team helped our church to perform the Jesus story for three days for the community. The attendance was exceptionally good, and people gave their lives to Christ.
- Miss Erika Krupp from Olympia, Washington, volunteered from March through April with her daughter who has developmental disabilities, and they liked the experience. They were a great blessing.

By the grace of God and your support, the work on the outside washrooms are about 80% complete and will be ready for use by the end of the third quarter. On the road construction, all the work on the gutters are complete. The actual work on the road will start at the end of the rainy season.

With hearts of gratitude, we thank God for Joshua graduating from high school. He will be going to Pennsylvania College of Technology come August. We remind all our supporters of the college fund set up for him after Andrea's passing. Checks are to be made in his name, "Joshua Jehu-Appiah" or online via <https://accounts.franklintempleton.com/investor/college/V7TUL>

We are always humbled by your love and support and cannot stop thanking you for that. God richly bless you all!

Prayer requests:

1. Pray for Pastor Joe, Hannah, and all the staff at the school.
2. Pray for our new students to be able to adjust in the school.
3. Pray for our final-year students who will graduate in August.
4. Pray for Joshua as he enters another stage in his life.
5. Pray for supplies for all our construction work.
6. Pray for sponsors for our new students.

Thank you for your generous support,
Pastor Joseph, Hannah, and Joshua
